

On Perpetual Peace : A Timely Assessment

Dieter Senghaas

Dieter Senghaas today is the worlds leading figure in the field of conflict research, conflict management research, and the study of the prerequisites of lasting peace. The fact that virulent conflict within what Senghaas calls the OECD world, essentially the European Union, has become unthinkable over the past half-century encourages him - in the face of violent conflict in many parts of the world - to be reasonably optimistic about the prospect for our planet as a whole.
