

On the Road with Ollie

Maria Rachel Hooley

Death isn't the end of love. Katie Newman, grief-stricken over losing her father, knows this. Everyday she hopes for some kind of impossible resolution. Fate intercedes, not by supplying her father's dearly departed spirit but instead a sixtish-hippy ghost who needs Katie's help with unfinished business. While she might have wondered about the afterlife, suddenly the afterlife is thrust on her in the form of Ollie Morris, a rather unique ghost. Ollie has been sent by Katie's father to help him move on in hopes that she will be able to do the same. In exchange for spooking her unfaithful boyfriend out of her life, Ollie asks Katie to drive him to Colorado to complete his unfinished business, and during the trip, they both realize that unfinished business, be it from the living or dead, rarely resolves as expected.
