

Only Time Can Heal

Izzibella Beau

Bentley Shaw is moving on. At last, hes finishing up his doctorate and hoping to begin his residency program to one day become a surgeon. His past with Ayma and Colton is complicated. Bentley was married to Ayma for a year, long enough to recognize that Colton is her destiny. So, Bentley let her go to be with the one she truly loved. Now, hes been invited to their wedding. What will happen is anyones guess. But the bigger question is if Bentley will ever allow himself to fall in love again. Lilith Greyson is tired of simply being known as Coltons younger sister. Yes, shes beautiful, sexy and all grown up now. If only her family would accept the fact that shes an adult. Graduation is over and Lilith is ready to start her life and find that certain special someone. Unfortunately, no one has turned her head - until she meets her brothers soon-to-be-wifes ex-husband again. Bentley Shaw. At first, the attention she gives the handsome hunk is just a game to make Colton angry. But soon Lilith realizes she wants to be more than friends with Bentley. As Bentley and Lilith grow closer, it becomes apparent there are many obstacles to overcome before they can focus on a true relationship. Their age difference, her brothers disliking him, a stalker, and the fact that he lives three thousand miles away are just a few things that stand in their way. The journey to find true love is a rollercoaster of emotion as they face the physical, mental, and emotional obstacles thrown in their path. Can time heal their wounds or will Bentley and Lil be forever damaged?
