

# The Onion Ad Nauseam: Another Year of The Onion : Volume 14

The Onion

The Onion team is back with more deadpan headlines, opinion pieces, news in brief . . . in fact every last damn word published by Americas Finest News Source (TM) in the past year. This is their fifth book and the second in a series of complete yearly roundups - the previous 12 months editions, and not available online - with all the news The Onion brought to the masses in their fourteenth year. From the cutting edge of world events came, `US Urges Bin Laden To Form Nation It Can Attack, `President Urges Calm Restraint Among Nations Ballad Singers and `Eight Million Americans Rescued From Poverty With Redefinition Of Term. Not forgetting old favourites, the team also found time to champion stories like `Pepsi Super Bowl Ad Raises Worldwide Pepsi-Awareness 0.00000000001 Percent and `UEnited States Toughens Image With Umlauts. The Onion Ad Nauseam Volume 14 is back to bring you pure Onion, wrapping its cultural commentary and loony anecdotes in the language of a suburban daily. Still the original and best way to take a humorous look at world events, this will appeal to anyone with a sense of humour . . . except maybe if you work in politics.
